

# WILLIS HIGH SCHOOL

## GRADES 9-12

*High School is where students begin to sharpen their skills and knowledge for adulthood. Through quality programs, Willis High School prepares every student who plans to attend college or immediately begin in the workforce, to be successful.*

**Principal: Tim Patton**

### ***Campus Highlights:***

Willis High School offers a number of programs that prepare students for higher education. We offer an early college program, advanced placement program and a dual credit program. All of these work in tandem to prepare Willis students to be competitive after their high school graduation. For those students who want to immediately enter the workforce, programs offered through Lone Star College, Conroe Center are also available. Willis High School provides the opportunity for a student to complete an Associate's degree and a high school diploma at the same time in our early college program. Willis High School is also proud that the average student's SAT score is above the national average and the state average. Our Career and Technology program offers certifications in heating and air-conditioning repair, certified nurse's aide, manufacturing, pharmacy technician training and welding. Extracurricular activities at Willis High School include athletics, AFJROTC, band, choir theater arts, DECA, drill team and cheerleading.

*Mascot:* Willis WildKats *Drill Team:* Willis High School Sweethearts

*\*Willis High School participates in random drug testing for all students who take part in extra-curricular activities, athletics and drive a vehicle that has registered parking on campus. The purpose of this program is to ensure that students have a reason to "say no" to drug use.*

**Director: Lee Sloan**

### ***About the Program:***

Willis ISD provides a Discipline Alternative Education Program (DAEP) that meets students' educational and behavioral needs as well as provide supervision and most importantly counseling. DAEP focuses on English Language Arts, Mathematics, Science, History and Social Studies.

### **ACCOUNTABILITY STATEMENT**

Scores on the Texas Assessment of Knowledge and Skills (TAKS) achievement testing are at or above state standards for all tests taken. Willis ISD recognizes the importance of individualization of every student and will continue to excel and strive for exemplary performance.

### **Construction Update:**

Phase II of the 2006 Bond Referendum is nearing completion. Phase II includes renovations to Lynn Lucas Middle School, practice facilities, and additional parking. Phase III will begin in the Summer of 2009 and it will include an addition of 26 classrooms at the High School along with renovations to the front entrance maximizing accessibility.

### **Parent Support Center**

Teresa (Roth) Herod, Parent Liason  
936/856-5691  
Parnley Annex Building  
606 N. Campbell  
Monday-Thursday  
9:30 a.m.-3:30 p.m.

In our center, parents may access a number of resources, attend classes and programs, or just interact with other parents.

\* Any gently used clothing and general household donations are always welcome.

### **Willis ISD Security Department**

Since 1992, The Montgomery County Constable's Office has provided a safe working and educational environment to the staff and students of the Willis ISD. The Department extends its professional police and resource services to pro-actively serve and protect the 15 WISD facilities that span a jurisdiction of 145 miles. For more information about this department and services, please visit the district website.
