

# WILLIS ISD MIDDLE SCHOOLS

## GRADES 6-8

*Middle school is a very critical time for the development of young adolescents. With two middle schools, Willis ISD stresses to all students the importance and benefits of becoming involved in school activities. Robert Brabham and Lynn Lucas Middle schools offer a wide array of programs to challenge students both academically as well as physically. Through our programs, students build the skills necessary to be successful in their future high school careers and beyond.*
