

WILLIS ISD PROFESSIONAL SERVICE FIRM - PRE-BOND PLANNING SERVICES

RFQ # 120123

Addendum # 1

Questions & Answers

- Q. Should we include our proposed team members' resumes in both sections 1-2 and 2-1 (from page 6 of the RFQ document)? Based on our interpretation, it seems that both of these items are asking for resumes. If that is incorrect or if we should format each section differently, can you please clarify the difference between what each of these sections requires?
- A. If you are proposing more than one team, yes. We are looking for only one team for this RFQ
- Q. In regards to Section 4-1, are you looking for a process description focused on our pre-bond planning services or construction services?
- A. We are looking for both, "Pre-Bond Planning and your Construction services.
