## Hot Shot- Basketball Contest

We are having our annual Hot Shot Basketball Contest soon for our students who are in grades 2nd through 5th. During your child's PE class, the students will be learning about the game of basketball and the various skills associated with this popular sport. The Hot Shot Contest will take place in just a few short weeks. This contest is voluntary. If your child would like to participate in the contest, please send one dollar and fill out the bottom portion of this sheet and return it to your teacher by January 19th. The dollar will help purchase the cost of the awards for the Lagway competition. It is also available to pay on school pay.

We will have our Lagway Hot Shot Contest (top 10 boys/top 10 girls in each grade) on Friday, February 2nd. The top 5 will receive a medal. The District Contest (1st place boy/1st place girl from each grade; from each school) will be on Tuesday, February 13th at C.C. Hardy Elementary.

Each contestant will have one minute to score from various spots on the floor with points scored recorded by the teacher during specials. The top ten boys and girls in each grade level to score the most points will participate in the school-wide final competition. Parents of the top 10 are always welcome to come and watch our Lagway competition during Physical Education classes on Friday, February 2nd..
