

## Fourth Grade Update : October 15 - October 18

We have many new and exciting events throughout the semester. Please read each content below to stay informed about what are fourth graders are learning at C.C.Hardy. Parent Self Serve is also available and has to be set up again every year. Our teacher websites are also available to keep parents dated.

### Reading and Writing

- We will describe how the author's use of imagery, literal and figurative language such as simile and metaphor, and sound devices such as alliteration and assonance achieves specific purposes.
- We will digging into how authors craft expository text.
- We will also be on our last week of focusing on compound sentence, and F.A.N.B.O.Y.S

### Math

- Multiply 1 digit by up to 4 digit and 2 digit by 2 digit numbers using partial products, area models, and standard algorithm.
- Solve one and two step word problems involving multiplication.

### Social Studies

- The students will be able to identify the various groups of Archaic Indians in Texas.

### Science

- The students will learn about the types of energy
- The students will learn about Electrical Energy
- The students will learn about Mechanical Energy
- Energy Robot Activity

- **No School Monday Oct. 14**
